

COMPANY PROFILE

A visionary enterprise on a marathon journey to build wealth, empower people, and shape Africa's future.

WELCOME TO OUR COMPANY

At **Midas & Leverage Limited**, we are more than a real estate and infrastructure company—we are a **Pan-African movement** committed to building wealth, empowering communities, and reshaping Africa's future, one property at a time.

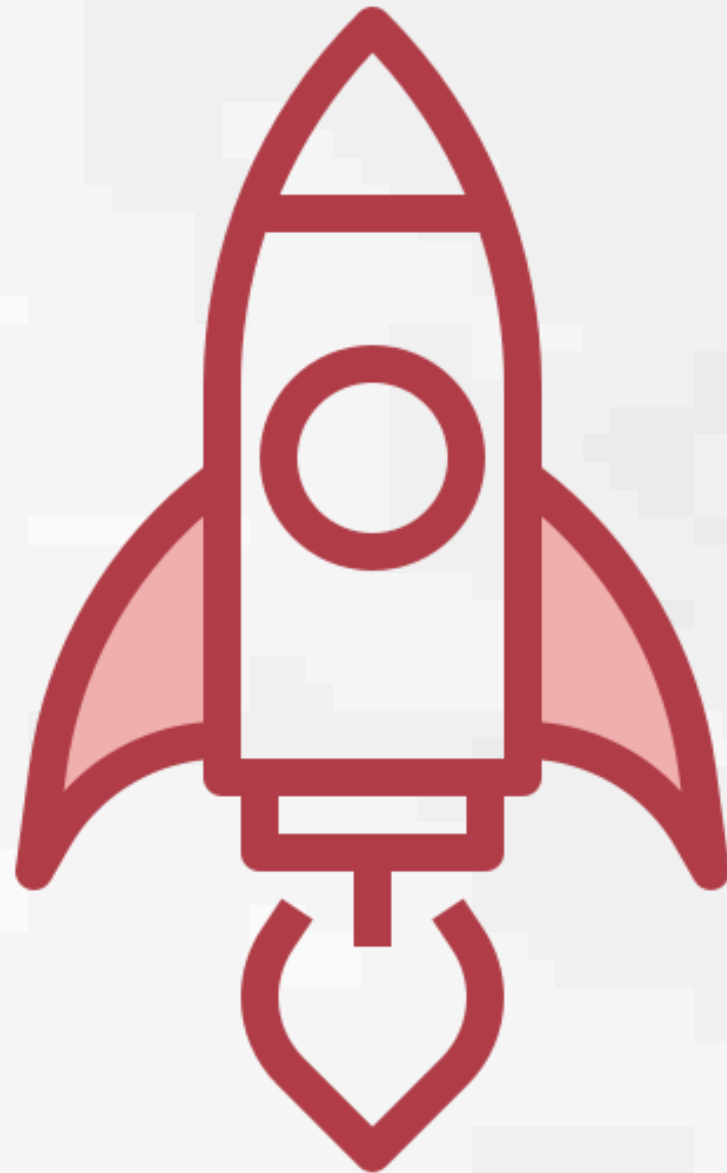

Inspired by the **legendary King Midas**, we transform raw land into valuable, future-ready real estate assets. Our mission is clear: to solve housing challenges across Nigeria and Africa, to create enduring real estate wealth for our clients, and to open doors of financial empowerment for individuals and communities alike.

We warmly welcome you to explore our vision, our values, and our opportunities as we continue this journey of transformation together.
